

UNLOCKING THE CODE

**NOVEMBER 2, 2015
DALLAS TX
NOVEMBER 4, 2015
HOUSTON TX
NOVEMBER 5, 2015
AUSTIN TX**

HB 1736 makes Texas the third state in the union to adopt the most advanced energy code designed to be 30 percent more efficient than current state minimum standards.

Spend the day with Steve Baden, Executive Director of RESNET, while he unravels the 2015 Energy Code and what it means to you!
